KIRK LANCE

Commodore's Corner: Anchors Aweigh for Summer!  
Greetings, fellow members of the Columbia River Yacht Club!

As we welcome the vibrant days of late May, my heart is filled with immense pride and gratitude, especially as we pause to observe Memorial Day. This isn't just the unofficial start of summer; it's a solemn day of remembrance for the brave men and women who gave their lives in service to our nation. They and their families have made the ultimate sacrifice for our country. Because of their sacrifice, we have the liberty to enjoy the open waters and the camaraderie of our club. I encourage everyone to take a moment to reflect on their profound contributions.

Speaking of Memorial Day Weekend, what a tremendous weekend cruise we just had! It was wonderful to see so many of you out on the water, embracing the spirit of the season. A special and heartfelt thank you to all the incredible volunteers who made our Memorial Day Cruise such a spectacular success. Your dedication, hard work, and enthusiasm created a truly special event for everyone, and it was a memorable kick-off to the summer boating season. We couldn't have done it without you!

With the echoes of remembrance and the joy of a wonderful weekend still in our hearts, we turn our gaze excitedly towards the horizon – and what a glorious horizon it promises to be! Summer is officially upon us, and with it comes the anticipation of sun-drenched days on the water, refreshing breezes, and countless opportunities to create cherished memories with friends and family.

The docks are truly abuzz with activity! It's wonderful to see so many of you diligently preparing your vessels, polishing stainless steel, provisioning the galley, and dusting off the dinghies, kayaks, paddleboards, and other various water toys. The collective excitement is palpable, truly embodying the spirit of our club. Whether you're planning ambitious voyages to distant moorages, leisurely cruises along the Columbia, or simply enjoying the tranquility of our beautiful harbor, I wish you all smooth boating and unforgettable experiences.

Our club calendar is already brimming with exciting events in the coming months, designed to cater to a wide range of interests. Mark your calendars for our annual New and Honored Members dinner scheduled for our June First Thursday, Wimbledon Ladies' Dinner, Father's Day Cruise at River Place, and our spectacular 4th of July festivities at the club and on A-Dock. There's something for everyone to enjoy. Keep an eye on the club's website and the bulletin boards for all the details and sign-up information.

I'm particularly excited about the opportunities for us to connect and strengthen our community this summer. Our volunteers have been working tirelessly behind the scenes to make sure this season is our best yet. Let's continue to foster the warm and welcoming atmosphere that makes CRYC such a special place. Don't hesitate to introduce yourself to new faces, share your knowledge, and lend a hand when needed.

Here's to fair winds, following seas, and a summer filled with joy, camaraderie, and the boundless beauty of our shared passion for the water.

Let the adventures begin!  
See you on the docks! Joy is in the Journey!

# FIRST LADY

TIFFANY LANCE

Hello, wonderful members of the Columbia River Yacht Club!

As the First Lady this year, it fills my heart with immense joy to reflect on the incredible start we've had to our season, and I look forward to the vibrant months ahead. It truly feels like summer has officially arrived, and with it, a flurry of fantastic events and unforgettable moments.

Opening Day kicked off our boating season, and it was a great time. It was clear everyone was thrilled to be back on the water, and despite our final standing in the parade, it was great to see so many boats and people participating! And speaking of fun, our White Party had infectious energy with everyone dancing the night away. Many thanks to Past Commodore Brad Engel for handling the emcee duties, the Sea Scouts for raising the colors, the Daughters of Neptune for raising the club flags, and to Steve Strong for the exceptional rendition of our National Anthem on his trumpet. It was a joy to see so many of you embracing the spirit of the day with such enthusiasm.

Our Mother's Day Brunch was an absolute triumph! It was so lovely to see so many families celebrating together, and the atmosphere was simply delightful. A huge, heartfelt thank you goes out to our incredible staff, Chef Jaime, Travis, Jayben, Uber, and Sofia, for preparing such a delicious spread and for their impeccable service. They truly made the day special for all our moms.

We celebrated Memorial Day with an '80s and '90s-themed cruise. Thank you to the creativity and hard work of the volunteers. Their hard work and commitment ensured everything ran smoothly, which in turn allowed all the attendees to relax and enjoy the beautiful weekend. As always, we had plenty of delicious food and activities to enjoy together, including live music, karaoke, and a dinghy cruise. We certainly had a blast creating memories that will last all summer.

June brings our next Ladies' Dinner on June 18<sup>th</sup>, and I'm very excited about it. We will have a Wimbledon-inspired event. Please come in your sporty Wimbledon gear or classic spectator gear! There will be raffles for shopping, another fantastic meal from Chef Jaime, and with any luck, some sunny weather so we can sit outside and enjoy our new patio!! If anyone would like to donate a raffle basket, please reach out to me. It would be great to have a variety of items to peruse while we enjoy Pimm's cocktails. A registration link will be coming out soon, so please make sure to RSVP.

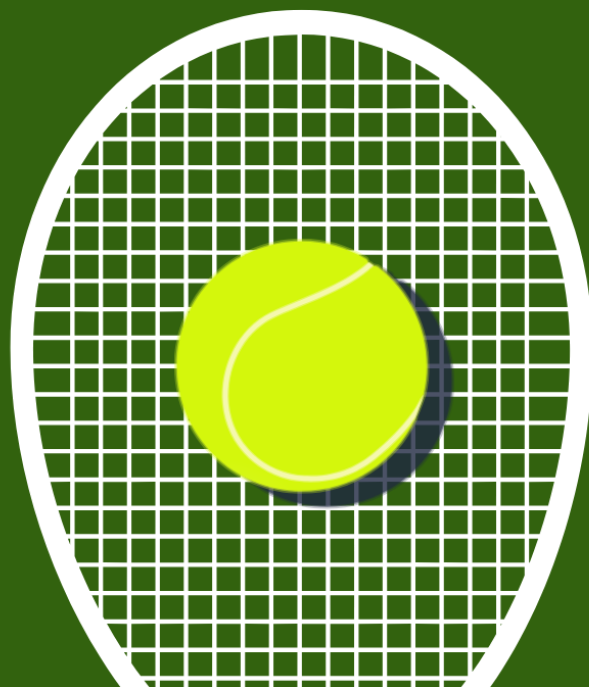

It's been a spectacular start to the season, and it's all thanks to our incredible members, dedicated staff, and tireless volunteers. Let's keep this extraordinary momentum going!

Joy is in the Journey!

## 2025 LAC EVENTS

- June 18: Ladies' Dinner
- Oct 15: Ladies' Dinner
- Nov 14: Holiday Decorating
- Dec 6: Brunch With Santa
- Dec 10: Ladies' Christmas Dinner

## Save The Date Wednesday, June 18

---

*You're invited to come play with us at Wimbledon! Get ready for an evening of tennis-inspired fun, great food, fantastic raffles, including a Julie Vos necklace and earrings, and the wonderful company of amazing ladies! Mark your calendars and plan to come! You won't want to miss out! More details coming soon!!*

# VICE COMMODORE

DEAN SUTHERLAND

CRYC's new fuel system is ready for you to use!

CRYC members can once again fuel up at CRYC's fuel dock and enjoy the 2025 boating season! It is a great club amenity, convenient, and offers cost savings for members. It's ready for you!

Note: The club is switching to premium non-ethanol gasoline (91 octane) after we use up the 4,000 gallons of regular non-ethanol (87 octane) currently in the new gasoline tank.

The new fuel system contractor, Peak Environmental of Vancouver, Washington, has finished all the work. Two new tanks—12,000 gallons each (one diesel and one gasoline), the previous gasoline tank was only 4,000 gallons. All new fuel lines and pulling conduit. Junctions, valving, etc. Testing is complete, and everything is approved, completed, warranted, and insured for the next 30 years. Thank you, Peak, for delivering high-quality work on budget and ahead of schedule.

Also, thank you to the many members who helped with the project, including the strong membership vote to fund it!

When you pull up to the fuel dock, you are not likely to notice anything different. The pumps and activating systems are still the same—use your same codes. The work done was all “upstream” of the dock.

The diesel and gasoline products are currently both the same as before: the diesel is #2 diesel for off-road use with a fuel additive, and the gasoline is presently mid-grade (87 octane) non-ethanol. It is the “system” that is new, although all the fuel is “fresh.”

The Club has decided to switch from non-ethanol “mid-grade” (87 octane) gasoline to non-ethanol “premium” (91 octane). It appears premium will cost about 10-15 cents per gallon more than the mid-grade gasoline.

The additional octane/performance difference should be valuable for the newer, larger gasoline engines. It should also help those of us with smaller gasoline engines on our tenders. It should not harm any gasoline engines.

Now would be a good time to review CRYC's “fueling” instructions on page 186 of the “just released” 2025 Club Roster. Also, refresh your boat's fueling procedures. Be safe! Remember, the fuel dock also has ice and wastewater pump-out.

Fuel up safely and have a great 2025 boating season.

## Getting Fuel at CRYC

### Before Getting Fuel

1. If you do not have a fuel account, fill out a "New Fuel Account" form.
2. Provide vessel insurance to the Club office.
3. Once these are received, please allow 1-3 business days for the office to set up your fuel account.
4. **You will receive an email confirming your account number and fuel pin.**  
Please watch the instructional video that is included on how to pump fuel at the dock.

### At the Fuel Dock

- The pump is open 24-7, 365 days of the year.
- There are environmental clean up pads available for \$1 ea. for small spills
- **How to use the pump:**
  - At the terminal enter your four digit member number & press ENTER.
  - When prompted, enter your four digit PIN and press ENTER.
  - Press 1 for Diesel and 2 for Gas, followed by ENTER.
  - WAIT 30 SECONDS PRIOR TO PUMPING FUEL!

### Paying for Fuel

- Fuel is automatically charged to the credit card on file within 1-3 business days.
- You can receive a 3% discount on your purchase by paying with a check.
  - Notify the office the **day that you pump fuel** that you would like to pay with a check. You will then have 3 business days to remit payment.

### Other Helpful Information

- Prices are posted at the fuel dock, in the office, and on the Club's website:
  - [cryc.com/fuel-prices](https://cryc.com/fuel-prices)
  - These prices are subject to change.
- Our gasoline does not have ethanol.

# CRUISE NEWS

TRACY ROBINSON

This article is coming to you as we wrap up the Memorial Day Cruise! What an awesome A Dock Cruise. You had to be there! Thanks to the amazing crew and the club staff for making this all happen; the long weekends require a lot of work from both teams. It feels so great to sense summer sneaking up on us. Next up is the June 20-22 RiverPlace Marina cruise, Celebrating Dads. Be prepared for updates and registrations. It's guaranteed to be a good time.

# BOARD MINUTES OVERVIEW

May 15th, 2025

The full meeting minutes can be found in the link tree.

Commodore Lance called the meeting to order. Approximately 15 members attended either in person or virtually. All board members were in attendance or provided a proxy.

## STANDARD REPORTS:

- The April Board minutes were approved.
- The March financial report was presented, and the April financial report will be presented in June. The March financial report was approved.
- Commodore Kirk presented a brief report on a recent WOO meeting and summarized measures being taken to allow the Paddlefish to be used this cruise season.
- Vice Commodore Sutherland reported on the completion of the fuel system replacement and on going testing. The project appears to be on schedule and on budget, and the contractor did a very good job.
- Mr. Spargo reported on numerous operational matters.

## ACTION ITEMS:

- A recommendation to contract for a new POS system was presented and discussed. A motion to approve the new POS system and the cost thereof was unanimously approved.
- The \$1,000 application fee for social memberships was extended through November 2025.
- Membership Committee Chair Francisco Rivera recommended to the board that Jane Cook, Bob Long, and Janice Sheaffer's resignations and Arnold Schuldt's demit be approved. These recommendations were duly moved, seconded, and approved unanimously.
- Moorage Chair Matt McCuddy recommended to the board that the sale and transfer of the water rights to slip D-19 from Kelli Watson-Brown to Paul Donahue be approved. The motion was approved unanimously.
- An additional \$5,200 to cover an overrun cost for concrete work and other improvements out to the peninsula was discussed. A motion to approve the additional amount was unanimously approved.

ADJOURNMENT: The meeting was adjourned by the Commodore. The next board meeting will be held on June 19, 2025.
